

Hi everyone

Welcome to the latest and long overdue arkayaking newsletter. We hope you enjoy it and find something here to inspire you to get out on the water this summer.

SUP Night @ Bridgnorth CC

Thanks to everyone who braved the weather and special thanks to **Scott** from **Starboard UK** for his coaching skills and encouragement on the night and of course to **BCC** for hosting us and making us so welcome. The wettest night of the week, but everyone had brilliant fun trying out different sorts of boards and techniques. If you missed out on the fun or want a reminder of the night then check out the photos on flickr.
